

The film „Gecko-Pot“ is made of different parts:

- A. **Exposition:** We get to know all the people involved
- B. **A problem comes up:** The baking of the clay pots fails
- C. **Climax:** Bounmark's family can't sell any clay pots to the trader
- D. **Resolution:** But Bounmark's prophecy that she will be lucky becomes true. Bounmark finds a solution (lizard clay pot), there is a happy ending, because the trader wants to have even more lizard clay pots
